Mara Vell

Name: Mara Vell
Role: Tavern Keeper (Tide and Star Tavern)
Ancestry: Human
Age: 32
Disposition:
Warm, sharp, observant.
Mara is welcoming — but nothing escapes her notice.

Mara Vell carries herself with effortless confidence.
Her presence fills the room without demanding attention.
Her long purple hair is unusual for Moonrest — a quiet sign that she did not grow up entirely on the island.
Her green eyes are sharp and constantly moving, reading expressions, moods, and tensions.
She dresses practically for work, but there's a subtle refinement in her appearance — deliberate, controlled.
She smiles easily.
But her smiles are **never careless**.

Role in Moonrest Haven

Everyone knows Mara.
She arrived around **8 years ago**, and quickly took over the failing tavern.
Since then:
• the tavern has become the social heart of Moonrest
• disputes are often settled under her roof
• information flows through her quietly
Villagers trust her — though some don't fully understand why.

Personality

Mara is socially intelligent and controlled.
Traits:
• Highly perceptive
• Calm under pressure
• Charismatic without being overwhelming
• Quietly manipulative when necessary
Typical dialogue:
"*People talk more when they think you're not listening.*"
